

The Clovis Veterans Memorial District is proud to sponsor programs that bring our community together to support, encourage, empower our youth to live up to their God given talents by surrounding them with community support.

We congratulate both teams on an amazing game.

The mission of the Clovis Veterans Memorial District is to provide a permanent living memorial honoring U.S. Military and Veterans; provide facilities and support programs to promote a legacy of service for preserving our community's and country's foundational ideals.

Army All Star Team

Message from Game Director

Greetings Football Family,

Players, this game today signifies your diligent attitude and appreciation for the game of football. Some of you may attend college and some of you may enter the workforce as your next endeavor in life. What you can take away from today is the fact that you showed up, put in the work, and played this game that we all love so much. Let that be your motto in life, show up, put in the work, and play your game. You did it so keep on doing it.

To the parents, sponsors, family, friends, and fans I thank you and truly appreciate your support. You are as dedicated as they come. You have spent tireless energy making sure that our kids fulfill their dreams.

Coaches, words can not express your passion for mentoring and guidance during practice and today's game. It takes a team to achieve success and you all exemplify togetherness as we role model for our young champs.

Again, I sincerely thank you,

C.J.
